

# Billy Bragg, Man In The Iron Mask

&quot;

The man in the iron mask

When he drops you off, I will not say  
Who was that who so quickly drove away...  
The things you've done and the places you've been  
When I open the door for you  
I will not let them in...

As long as you come back to me  
I will never ask  
For you I will be  
The man in the iron mask

You said you love me and it broke my heart  
I was always your prisoner right from the start  
The nights you spend without me  
this house is like a dungeon  
And you only return to torture me more

You must have your reasons  
I will no ask -  
For you I will be  
The Man in the Iron Mask
