

# Billy Bragg & Wilco, At My Window Sad And Lonely

At my window, sad and lonely  
Oft times do I think of thee  
Sad and lonely and I wonder  
Do you ever think of me

Every day is sad and lonely  
And every night is sad and blue  
Do you ever think of me my darling  
As you sail that ocean blue

At my window, sad and lonely  
I stand and look across the sea  
And I sad and lonely wonder  
Do you ever think of me

Will you find another sweetheart  
In some far and distant land  
Sad and lonely now I wonder  
If our boat will ever land

Ships may ply the stormy ocean  
And planes may fly the stormy sky  
I'm sad and lonely but remember  
Oh I'll love you till I die
