

# Billy Burnette, Are You With Me Baby

Written by billy burnette and rafe van hoy.

Life's too short to go too long like this  
Forget where you came from or came here with  
Let's talk some serious business  
Like just one kiss from your sweet lips

(chorus)

Are you with me baby  
We're waistin' precous time  
Are you with me baby  
Then put your little hand in mine  
We're burning moonlight baby  
Please don't let me down

Are you with me now

Don't wanna make a scene,  
Don't wanna cause a big fuss  
I got a little feeling 'bout the two of us  
My heart's beatin' hard and it's about to bust  
Let's leave this party in a cloud of dust?

(repeat chorus)

(bridge)

As far as I can see we got an open road  
It can go on forever if we choose to go  
It's not a dream if you believe it's so  
There's just one thing that I need to know?
