

Billy Burnette, Highway Of Love

Written by billy burnette and rafe van hoy.

(we'll) keep runnin' 'till we run outta road
Keep a rollin' 'till the wheels won't roll
Where we're headed baby no one knows
Heaven knows how far we'll go

(chorus)
We can't stop now
We can't look back (no turnin' back)
We can't give up
It's you and me?
On the highway of love

Keep it over in the passing lane

Thru the dust and the driving rain
Thru the eye of a hurricane
Movin' on like a fast freight train

(repeat chorus)

(bridge)
We'll leave the past behind
Like we're runnin' from the law
We gotta take a chance if we're gonna have it all
Life's an open road, and time is flying by
We're headed out to where forever meets the sky?
On the highway of love

(repeat chorus)
