

# Billy Burnette, In Just A Heartbeat

Written by billy burnette.

In just a heartbeat things changed  
In just a heartbeat I heard your name  
In just a heartbeat I could see  
Me lovin' you - you lovin' me  
In just a heartbeat love called  
In just a heartbeat I fall  
You're just a heartbeat away  
I'm just a heartbeat away

In just a heartbeat I find  
I see the want to in your eyes  
In just a heartbeat I go

So deep in love I know  
In just a heartbeat love called  
In just a heartbeat I fall  
You're just a heartbeat away  
I'm just a heartbeat away  
Yeah yeah baby

In just a heartbeat things changed  
In just a heartbeat I heard your name  
In just a heartbeat I could see  
Me lovin' you - you lovin' me  
In just a heartbeat love called  
In just a heartbeat I fall  
You're just a heartbeat away  
I'm just a heartbeat away
