

Billy Burnette, In Just A Heartbeat

Written by billy burnette.

In just a heartbeat things changed
In just a heartbeat I heard your name
In just a heartbeat I could see
Me lovin' you - you lovin' me
In just a heartbeat love called
In just a heartbeat I fall
You're just a heartbeat away
I'm just a heartbeat away

In just a heartbeat I find
I see the want to in your eyes
In just a heartbeat I go

So deep in love I know
In just a heartbeat love called
In just a heartbeat I fall
You're just a heartbeat away
I'm just a heartbeat away
Yeah yeah baby

In just a heartbeat things changed
In just a heartbeat I heard your name
In just a heartbeat I could see
Me lovin' you - you lovin' me
In just a heartbeat love called
In just a heartbeat I fall
You're just a heartbeat away
I'm just a heartbeat away
