

Billy Crawford, Never My Love

Never my, never my love
Never my, never my love
Never my, never my love

You ask me if there'll come a time
When I'll go tired of you
Never my love, never my love
You wonder if this heart of mine
Will lose its desire for you
Never my love (never my love)
Never my love
What makes you think love will end
When you know that my whole life
Depends on you (on you)
You

You say you fear I'll change my mind
I won't require you
Never my love, never baby
Never my love
You wonder if this heart of mine
Is gonna lose its desire for you
Never my love, never my love
Never my love, never my love

How can you think love will end
When I've asked you to spend
Your whole life with me
(With me)

I can't stop thinking about my love
The kinda love I could never go tired of
Ooh I wanna tease you, I wanna squeeze you
I wanna love you, I never gonna stop it

Never my love, never my love
Never my love, never my love

How can you think love will end
When you know that
My whole life depends on you
(On you)

Never, never, never my love
Oh
Never my love, never my love
Never my love, never my love
Never my love, never my love...
