

Billy Crawford, When You Think About Me

When you think about me
Do you want to get'

Chorus:

When you think about me
Do you think about us
Falling in love(yeah,yeah)
Do you want to get with me with me
When you think about me
Do you think about us
And making love(and making love)
Do you want to get with me with me

When you sleep at night does Justin star in your dreams
Are you thinking of me all the time
What does it mean
Do you fantasize to your surprise
I'm there for you
Making you realise that deep inside you want to be my boo
You're still playing those childish games so all grown up
Cause my appetite says too much is not enough
I'm curious and I don't mean to make a fuss
I think about you, do you think about us
Tell me, tell me

Chorus

When your daydream does J.C. stay on your mind
Do you find yourself wishing you were here by my side
Do you wonder if it's possible to get me alone
Hit me up on my pager or my telephone
When you're at a club there's no one else that turns you on
The way you look at me I can tell you want to get it on
I'm curious and I want to feel the heat of your touch
I think about you, do you think about us
Tell me, tell me

Chorus(x2)

Do you want to get
When you think about me
Do you want to get with me
When you think about me
Tell me, tell me

Chorus(x3)

Do you want to get with me
