

# Billy Dean, Steam Roller

(James Taylor)

I'm a steamroller baby  
I'd like to roll all over you  
Hey I'm a steamroller for your love  
Like nothing better than to just roll all over you  
I'm gonna inject your soul with some sweet old time rock & roll  
Shoot you full of rhythm & blues

I'm a cement mixer  
A churnin' urn of burnin' funk  
I'm a cement mixer ooh boy  
A churnin' urn of burnin' funk  
Hey I'm a demolition derby  
A hefty hunk of steamin' junk hey

I'm a na-palm bomb lord  
Guaranteed to blow your mind  
I'm a na-palm bomb gonna blow your mind  
If I can't have your love love  
There won't be won't be nothin' left behind  
left behind girl

I'm a steamroller baby  
I'm bound to roll all over you lord  
have mercy girl  
I'm a steamroller for your love  
Like nothin' better than just to just roll over you  
If I can't have your love love  
I'm gonna have nothin'  
I'm gonna have nothin'  
But them steam  
Steamroller blues  
yeah yeah
