

Billy Fury, No Trespassers

Driving nicely along the lane
You were buzzing around my brain
I see lovers lying in a wood
Notice says no trespassers
I would like to love you if I could
Notice says no trespassers
Notice says no trespassers

Driving nicely along the lane
Clouds are forming it looks like rain
I will drive to you fast as I can
Careful kid mind that you don't skid
I can't wait to make me feel a man
Careful kid mind that you don't skid
Careful kid mind that you don't skid

Driving nicely along the lane
You were buzzing around my brain
I would like to take you in the wood
Notice says no trespassers
I would like to love you if I could
Notice says no trespassers
Notice says no trespassers (until end)
