# Billy Fury, Play It Cool

Play it cool baby
Play it cool
Don't forget that golden rule
Now were flying high
Way up in the sky
C'mon play it cool

Play it cool baby
Play it cool
C'mon and join my lovers school
You would love to learn
I just make you burn
C'mon play it cool

When your heart keeps beating a minute
Then baby don't you hurry
There's time for you
And time for me
Never worry

Play it cool baby
Play it cool
Don't forget that golden rule
Now were flying high way up in the sky
C'mon play it cool

Now play it boys

When your heart keeps beating a minute
Then baby don't you hurry
There's time for you
And time for me
A baby don't you worry

Play it cool baby
Play it cool
Don't forget that golden rule
Now were flying high
Way up in the sky
C'mon play it cool

So c'mon c'mon c'mon
