

Billy Gilman, About Me

i'm standing by you
watching you cry
asking what i did wrong
this is about me
again

Chorus-1X

This is about me
i wronged you again
i'll leave you alone to cry
Baby i know i hurt you
but even
how much i try'
i can't get it right
i don't want to hurt you again

Chorus-2X

This is about me
i wronged you again
i'll leave you alone to cry
I leave you alone
to cry your tears
there nothing i can do
nothing i can say
to make it right
i'm sorry baby

Chorus-3X

This is about me
i wronged you again
i'll leave you alone to cry
