

# Billy Gilman, Almost Love

What am I going to get you girl  
I wanna buy you the whole wide world  
But all I got is a leather jacket and a mood ring  
Sometimes I see you standing in the hall  
And I can't say a thing at all  
Deep inside I'm writing you poetry  
Yes I am

1st Chorus:

I almost love you  
I can almost feel your kiss  
I almost promised my heart  
With a promise that's more like a wish  
Oooh, I don't know what all this means  
But girl I can't get you out of my dreams  
Everytime that we get close  
It's almost

Yesterday I saw you on the hood of a car  
With an older guy he was playing his guitar  
And you gave him your smile  
I could have cried  
But I just froze

Should I stand up to him  
Should I pick a fight  
Should I get you to run away with me tonight  
I don't know how to get there  
Or where we'd go  
Don't you know

1st Chorus 1x

2nd Chorus:

Love  
It's almost  
The right stuff  
It's almost  
The flight of a pure white dove  
It's almost  
True love

1st Chorus 1x

2nd Chorus 2x
