

# Billy Gilman, Clueless

Hey clueless why you do you always do this  
Do I have to go through this with you again  
Cryin' on my shoulder  
Whenever the nights grow colder  
And you need more than another fair weather friend  
Will it end before sundown  
Before the prettiest girl in this town  
Runs away from a showdown with me again

[Chorus]  
(Look at me now)  
Come on baby, you need a rock you can't toss out  
When you're under the covers  
You think you're so strong  
Holdin' on to me now  
You know why you come around  
I'm the rock you can't toss out

Don't kiss me say you're gonna miss me  
Then ditch me till you come back again  
Don't touch me  
Tell me how much you love me  
If you're not gonna love me

Like the world's gonna end  
Maybe I never told you  
That I want to hold you  
And never wanted to be just friends

[Chorus]  
(Look at me now)  
Come on baby, you need a rock you can't toss out  
When you're under the covers  
You think you're so strong  
Holdin' on to me now  
You know why you come around  
I'm the rock you can't toss out

I know you want to see me  
'Cause you're always at my door  
Do you leave 'cause you're afraid of seeing something more

[Chorus outro]  
...You know why you come around, look at me now,  
I'm the rock you can't toss out
