

# Billy Idol, Neuromancer

Age of destruction  
Age of oblivion  
Age of destruction  
Age of oblivion

Discovered love,  
In the rancid days of ruin  
My body's sweatin' toxins,  
Of my own demise

Only from space, can you see  
How much earth is burning  
Smokin' out the innocense inside  
The child

It's the age of destruction  
In a world of corruption  
It's the age of destruction  
And they hand us oblivion

Neuromancer and I'm trancing  
I'm the Neuromancer--and I'm trancing

Man wallows in his insatiable greed  
More in the answer that sweats  
From desparate palms  
Turn on the lies, the secrets,  
Of our desolation,  
Or be smothered, by the red hot core

It's the age of destruction,  
In a world of corruption  
It's the age of destruction  
And they hand us oblivion

The neuromancer and I'm trancing  
I'm the neuromancer and I'm trancing  
I'm the neuromancer--I'm trancing  
Trancing  
Trancing  
and I'm trancing

Denied love in the age of ruin  
Suicide toxins of my own demise  
In cyberspace, you know how much  
The earth ain't learning  
Smoking out the man, inside the child--yeah

It's the age of destruction  
In a world of corruption  
It's the age of destruction  
And they hand us oblivion

The neuromancer and I'm trancing  
I'm the neuromancer and I'm trancing  
Neuromancer--trancing  
Neuromancer--trancing  
Neuromancer--trancing  
Neuromancer

Age of destruction  
Age of the neuromancer  
Age of destruction  
Age of oblivion

Age of destruction  
Age of the neuromancer
