Billy Idol, Neuromancer

Age of destruction Age of oblivion Age of destruction Age of oblivion

Discovered love, In the rancid days of ruin My body's sweatin' toxins, Of my own demise

Only from space, can you see How much earth is burning Smokin' out the innocense inside The child

It's the age of destruction In a world of corruption It's the age of destruction And they hand us oblivion

Neuromancer and I'm trancing I'm the Neuromancer--and I'm trancing

Man wallows in his insatiable greed More in the answer that sweats From desparate palms Turn on the lies, the secrets, Of our desolation, Or be smothered, by the red hot core

It's the age of destruction, In a world of corruption It's the age of destruction And they hand us oblivion

The neuromancer and I'm trancing I'm the neuromancer and I'm trancing I'm the neuromancer--I'm trancing Trancing and I'm trancing

Denied love in the age of ruin Suicide toxins of my own demise In cyberspace, you know how much The earth ain't learning Smoking out the man, inside the child--yeah

It's the age of destruction In a world of corruption It's the age of destruction And they hand us oblivion

The neuromancer and I'm trancing I'm the neuromancer and I'm trancing Neuromancer--trancing Neuromancer--trancing Neuromancer--trancing Neuromancer

Age of destruction Age of the neuromancer Age of destruction Age of oblivion Age of destruction Age of the neuromancer
