

# Billy Idol, New future weapon

With a 180 miles  
you can press my button to see  
faster than the night fire  
I can make you bleed  
On stealth and undercover  
you don't even know I'm there  
I can kill all of you better beware .  
It's the dawn of a new future weapon  
I'm after your soul  
I'm after your soul  
It's surprise speed and violence of action  
I'm at the controls  
death at the controls .  
Higher than a mile my weaponology  
I can take you out babe with pinpoint accuracy  
riding in the raptor  
danger to the max  
shoot you if you're flying by  
the power of my attack .  
It's the dawn of a new future weapon  
I'm after your soul  
I'm after your soul  
It's surprise speed and violence of action  
I'm at the controls  
death at the controls.  
Living in this desert, living in slime  
the air you breath is poisonous fire  
the sounds you hear destroy the tune  
the sounds you hear destroy the... "wow yeah"  
With a 180 miles  
you can press my button to see  
faster than the night fire  
I can make you bleed.  
It's the dawn of a new future weapon  
I'm after your soul  
I'm after your soul  
It's surprise speed and violence of action  
well I'm at the controls  
death at the controls.  
I'm at the controls  
I'm after your soul "yeah"  
&"Oh ye'eah"  
I'm at the controls  
I'm after your soul...
