

# Billy Idol, Power Junkie

I'm out of control  
I think I'm goin' crazy  
I'm out of my mind  
You can see it in my eyes

I'm lookin' for love  
In all of your faces  
I'm lookin' for love  
I think I'm goin' crazy  
I feel tonight  
We're bought and sold  
Ah yeah  
Think I'll overload  
Think I'll overload

I'm talkin' about crazy  
I'm talkin' about crazy

I'm a mad man  
I shook up the world  
I'm a crazy man  
Ain't that right  
This ball of confusion  
Too big for the both of us  
Get out of my town tonight  
I'm a mad man  
I wanna shake up the world  
I'm a crazy man  
I'm goin' crazy  
I'm goin' crazy  
Suck on my love meat  
Now suck on my steed  
I gotta go crazy  
If you know what I mean  
I'm goin' crazy  
I'm goin' crazy  
I'm a mad man  
Crazy

I'm looking for you  
Through all of these faces  
Waiting so long  
I think I'm going crazy

I'm lookin' at you  
Feel my direction  
A yeah  
No reason to survive  
Yeah I'm talkin 'bout crazy  
Ha ha ha think I'm gonna blow

I'm a mad man  
I shook up the world  
I'm a crazy man  
Ain't that right  
This ball of confusion  
Too big for the both of us  
Get outta my town tonight  
Haha  
I'm a mad man  
I wanna shake up the world  
I'm a crazy man  
I'm goin' crazy

Suck on my love meat  
Now suck on my steed  
I gotta go crazy  
If you know what I mean  
I'm goin' crazy  
I'm goin' crazy  
I'm a mad man  
I'm goin' crazy  
Talk about crazy

I'm looking for you
