Billy Joel, Lullaby (Good Night My Angel)

Verse 1

Good night my angel time to close you eyes
And save these questions for another day
I think I know what you've been asking me
I think you know what I've been trying to say
I promised I would never leave you
And you should always know
Where ever you may go
No matter where you are
I never will be far away
Verse 2
Good night my angel now it's time to sleep

Good night my angel now it's time to sleep And still so many things I want to say Remember all the songs you sang for me When we went sailing on an emerald bay And like a boat out on the ocean I'm rocking you to sleep The water's dark and deep Inside this ancient heart You'll always be a part of me (Musical Bridge) Do do do do... *Verse 3*

Goodnight my angel now it's time to dream
And dream how wondeful your life will be
Someday your child will cry and if you sing this lullaby
Then in your heart there will always be a part of me
Someday we'll all be gone
But lullabies go on and on
They never die that's how you and I will be
