

Billy Joel, Piano Man (Unreleased Version)

Well it's nine o'clock on a Saturday
Drinks are going fast
There's an old man sitting next to me
Writing with time that has passed

He says Son can you play me a memory?
I'm not really sure how it goes
But it's sad and it's sweet and I knew it complete
When I wore a younger man's clothes
La la la la la, la la la la la

Sing us a song you're the piano man
Sing us a song tonight
Yeah we're in the mood for a melody
And you've got us feeling all right

John at the bar is a friend of mine
Who gets me my drinks for free
And he's quick with a joke or to light up your smoke
But there's someplace that he'd rather be
Mmm-hmm-hmm, mmm-hmm-hmm-hmm-hmm-hmm-hmm

Sing us a song you're the piano man
Sing us a song tonight
Well we're in the mood for a melody
And you've got us feeling all right
