

# Billy Joel, Sometimes A Fantasy

I didn't want to do it but I got too lonely  
I had to call you up in the middle of the night  
I know it's awful hard to try to make love long distance  
But I really needed stimulation  
Though it was only my imagination

It's just a fantasy  
It's not the real thing  
It's just a fantasy  
It's not the real thing  
But sometimes a fantasy  
Is all you need

When am I gonna take control get a hold of my emotions  
Why does it only seem to hit me in the middle of the night  
You told me there's a number I can always dial for assistance  
I don't want to deal with outside action  
Only you can give me satisfaction

It's just a fantasy  
It's not the real thing  
It's just a fantasy  
It's not the real thing  
But sometimes a fantasy  
Is all you need

Sure it would be better if I had you here to hold me  
Be better baby but believe me it's the next best thing  
I'm sure there's many times you've wanted me to hear your secrets  
Don't be afraid to say the words that move me  
Anytime you want to tell them to me

It's just a fantasy  
It's not the real thing  
It's just a fantasy  
It's not the real thing  
But sometimes a fantasy  
Is all you need  
It's just a fantasy  
It's not the real thing  
It's just a fantasy  
It's not the real thing
