

Billy Joel, These Are The Times To Remember

We walked on the beach beside that old hotel
They're tearing it down now, but it's just as well.
I haven't shown you everything a man can do
So stay with me baby, I've got plans for you
This are the time to remember
Cause it will not last forever.
These are the days to hold onto
Cause we won't although we'll want to.
This is the time, but time is going to change.
You've given me the best of you,
And now I need the rest of you.
Did you know before you came into my life,
Some kind of miracle that I survived.
Someday we'll both look back and have to laugh
We lived through a lifetime and the aftermath
This are the time to remember
Cause it will not last forever.
These are the days to hold onto
Cause we won't although we'll want to.
This is the time, but time is going to change.
I know we have to move somehow,
But I don't want to lose you now.
Sometimes it's so easy to let a day slip on by
Without even seeing each other at all
But this is the time you'll turn back to and so will I
And those will be the days you can never recall
And so we embrace again behind the dunes.
This beach is so cold on a winter afternoon,
But holding you close is like holding the summer sun,
All warm from the memory of days to come.
This are the time to remember
Cause it will not last forever.
These are the days to hold onto
Cause we won't although we'll want to.
This is the time, but time is going to change.
You've given me the best of you,
And now I need the rest of you.
