

Billy Joel, This Night

Didn't I say
I wasn't ready for a romance
Didn't we promise
We would only be friends

And so we danced
Though it was only a slow dance
I started breaking my promises
Right there and then

Didn't I swear
There would be no complications
Didn't you want
Someone who's seen it all before

Now that you're here
It's not the same situation
Suddenly I don't remember the rules anymore

This night is mine
It's only you and I
Tomorrow
Is a long time away
This night can last forever

I've been around
Someone like me should know better
Falling in love
Would be the worst thing I could do

Didn't I say
I needed time to forget her
Aren't you running from someone
Who's not over you

How many nights
Have I been lonely without you
I tell myself
How much I really don't care

How many nights
Have I been thinking about you
Wanting to hold you
But knowing you would not be there

This night
You're mine
It's only you and I
I'll tell you
To forget yesterday
This night we are together

This night
Is mine
It's only you and I
Tomorrow
Is such a long time away
This night can last forever

Tomorrow
Is such a long time away
This night can last forever
