Billy Joel, This Night

Didn't I say I wasn't ready for a romance Didn't we promise We would only be friends

And so we danced Though it was only a slow dance I started breaking my promises Right there and then

Didn't I swear There would be no complications Didn't you want Someone who's seen it all before

Now that you're here It's not the same situation Suddenly I don't remember the rules anymore

This night is mine It's only you and I Tomorrow Is a long time away This night can last forever

I've been around Someone like me should know better Falling in love Would be the worst thing I could do

Didn't I say I needed time to forget her Aren't you running from someone Who's not over you

How many nights Have I been lonely without you I tell myself How much I really don't care

How many nights Have I been thinking about you Wanting to hold you But knowing you would not be there

This night
You're mine
It's only you and I
I'll tell you
To forget yesterday
This night we are together

This night
Is mine
It's only you and I
Tomorrow
Is such a long time away
This night can last forever

Tomorrow
Is such a long time away
This night can last forever
