

Billy No Mates, Spaceman

Dolly spikes, cat girl, riot squad, dayglo
SNS, SPG, Maggie and Ronnie
the Ipswich punks off stomping the wildlife
West Hampstead and Kilburn punks down the moonlight

it was action time and I loved you you dummy
two fingers up to a raspberry
safety pins zips and adicts
exploding green flash and a fucked soup jacket
and a gluebag stuck to his back
he had a gluebag stuck to his back

bent cops, poser punks a pogo and a skids dance
pistols bumflap, UK Subs badge
Granny hat, dictionary tied to his ankle
and a gluebag stuck to his back
he had a gluebag stuck to his back

lapel to lapel, spinning like nutters
threw him down the front
from the front to the back
it was leather bristles studs and acne
and a gluebag stuck to his back
he had a gluebag stuck to his back

bent cops, poser punks a pogo and a skids dance
pistols bumflap, UK Subs badge
Granny hat, dictionary tied to his ankle
and a gluebag stuck to his back
he had a gluebag stuck to his back

bent cops, poser punks a pogo and a skids dance
pistols bumflap, UK Subs badge
Granny hat, dictionary tied to his ankle
and a gluebag stuck to his back
he had a gluebag stuck to his back

young and fucked up on merrydown snakebite
young and fucked up on evostick
young and fucked up sleeping on stations
young and fucked up having the time of his life
