

# Billy Preston, That's The Way God Planned It

Why can't we be humble  
Like the good lord say  
He promised to exalt us  
but no-one is away  
How men be so greedy  
When there's so much left?  
All things are God given  
And they all have been blessed  
That's the way God planned it  
That's the way God wants it to be, be  
That's the way God planned it  
That's the way God wants it to be, be  
Let not your heart be troubled  
Let mourning sobbing cease  
Learn to help one another  
And live in perfect peace

If we'd just be humbler  
Like the good lord say  
He promised to exalt us  
But love is the way  
That's the way God planned it  
That's the way God wants it to be, be  
You better believe me  
That's the way God planned it  
That's the way God wants it to be, be  
I hope you get this message  
Where you won't others will  
You don't understand me  
But I'll love you still  
That's the way God planned it  
That's the way God wants it to be, be
