

# Billy Rankin, I Wanna Be Alone Tonight

Five to ten  
I miss your company  
But I don't need a friend  
To take the place of you  
And I see you cryin? on my shoulder  
When you said your love for me was over  
I wanna be alone, I wanna be alone  
I wanna be alone tonight  
I wanna be alone, I wanna be alone  
I don't need anyone tonight  
I wanna be alone, I wanna be alone, I wanna be alone tonight  
Leave me alone, leave me alone  
I'm to blame for thinkin? you still care for me  
It's a cryin? shame  
We started out so well  
Did I see you cryin? on my shoulder  
When you said your love for me was over  
Ya, I wanna be alone, I wanna be alone  
I wanna be alone tonight  
I wanna be alone, I wanna be alone

I don't need anyone tonight  
I wanna be alone, I wanna be alone, I wanna be alone tonight  
Leave me alone, leave me alone  
Didn't I see you cryin? on my shoulder  
When you said your love for me was over  
I wanna be alone, I wanna be alone  
I wanna be alone tonight  
I wanna be alone, I wanna be alone  
I don't need anyone tonight  
I wanna be alone, I wanna be alone, I wanna be alone tonight  
I wanna be alone, I wanna be alone  
I don't need anyone tonight  
I wanna be alone, I wanna be alone, I wanna be alone tonight  
I wanna be alone, I wanna be alone  
I don't need anyone tonight  
I wanna be alone, I wanna be alone, I wanna be alone tonight  
I wanna be alone, I wanna be alone, I wanna be alone tonight
