

Billy Rankin, Where Are You Now

Every single day I think of the times when you were still mine
And I knew, gotta get away, get you out of my mind
I caught up in time and I blue
I don't miss all the fun that we had
You were always around me
Where are you now
I need you now
If you were around it would be alright
Livin' on my own
I know I'm to blame
I locked in my chains
And you're free
Fallen like a stone
I down on the ground
I tied up and bound
And you're free
I don't miss all the fun that we had
You were always around me
Where are you now
I need you now
If you were around it would be alright
I don't miss all the fun that we had
You were always around me
Where are you now
I need you now
If you were around it would be alright
Where are you now
I need you now
If you were around it would be alright
Where are you now
I need you now
If you were around it would be alright
