

# Billy Ray Cyrus, Get ready get set don't go

She's gotta do what she's gotta do  
And I've gotta like it or not  
She's got dreams too big for this town  
And she needs to give 'em a shot  
Where ever they are  
Looks like she's all ready to leave  
Nothing left to pack  
There ain't no room for me in that car  
Even if she asked me to tag along  
God I gotta be strong

(chorus)

She's at the startin' line of the rest of her life  
As ready as she's ever been  
Got the hunger and the stars in her eyes  
The prize is hers to win  
She's waitin' on my blessings before she hits that open road

Baby get ready

Get set

Don't go

She says things are fallen into place

Feels like they're fallen apart

I painted this big ol' smile on my face

To hide my broken heart

If only she knew

This is where I don't say what I want so bad to say

This is where I want to but I won't get in the way

Of her and her dreams

And spreadin' her wings

(chorus)

She's at the startin' line of the rest of her life

As ready as she's ever been

Got the hunger and the stars in her eyes

The prize is hers to win

She's waitin' on my blessings before she hits that open road

Baby get ready

Get set

Don't go

She's at the startin' line of the rest of her life

As ready as she's ever been

Got the hunger and the stars in her eyes

The prize is hers to win

She's waitin' on my blessings before she hits that open road

Baby get ready

Get set

Please Don't go

Don't go

Don't go

She's gotta do what she's gotta do

She's gotta do what she's gotta do
