

# Billy Ray Cyrus, Only God (Could Stop Me Loving

We saw the moon in Colorado  
Made music in Tennessee  
We found the gold in El Dorado  
It's so good makinG love you and me  
These arms they will never hold another  
These eyes they are blind to any other  
These lips no other girl will ever kiss  
This heart it will always feel like this  
Only God could stop me loving you only God could tell me not to  
He sent you from heaven just to make my dreams come true  
When he opened the door that you came walking through  
Only God could stop me loving you  
Now we struck oil in Oklahoma  
Yeah we won the Oscar in Hollywood  
We climbed the canyons of Arizona  
And baby making love never felt so good  
These arms they will never hold another...

[guitar]

Well there ain't no girl in the whole wide world could take away my heart  
And there ain't no man who could steal your hand and tear us apart  
But there is one God in heaven above  
Who gave me love strong enough to call my own  
Only God could stop me loving you only God could tell me not to  
Only God could stop me loving you only God could tell me not to
