

# Billy Ray Cyrus, Someday, Somewhere, Somehow

(Billy Ray Cyrus)

I looked for you in the morning with the sunrise  
And I searched for you all the day through  
And at night as I lay my head down on my pillow  
I closed my eyes and dreamed only of you  
Someday, somewhere, somehow  
I know that I will be with you  
Someday, somewhere, somehow  
My dreams of us together will come true  
Someday, somewhere, somehow  
Not a second ticks off the clock that you don't cross my mind  
And with every beat of my heart I'm by your side  
But the truth of the matter is it's make believe  
And my love once again has been denied  
Someday, somewhere, somehow  
I know that I will be with you  
Someday, somewhere, somehow  
My dreams of us together will come true  
Someday, somewhere, somehow
