

# Billy Ray Cyrus, You've Got A Friend

When you're down and troubled  
And you need a helping hand  
And nothing, whoa, nothing is going right  
Close your eyes and think of me and soon I will be there  
To brighten up even your darkest night  
You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer, or fall  
All you have to do is call  
And I'll be there, yes, I'll be there  
You've got a friend  
If the sky above you should turn dark and full of clouds  
And that old north wind should begin to blow  
Keep your head together now or call my name out loud  
And soon I'll be knocking upon your door  
You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Don't you know that  
Winter, spring, summer or fall  
All you got to do is call  
And I'll be there, yes, I'll be there  
Hey, ain't it good to know that you've got a friend  
People can be so cold  
They'll hurt you, yes, and desert you  
Or they'll take your soul if you let them  
Ah, but don't you let them  
You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Don't you know that  
Winter spring summer or fall  
All you have to do is call  
And I'll be there, yes, I'll be there  
You've got a friend
