

Billy Squier, Alone In Your Dreams

I saw you last night...alone in your dreams
You were so peaceful there...or that's how it seemed
But something is wrong...you feel it inside
No one can reach you there...but still you can't hide

'cause dreams never lie
You can't if you try
It's not often easy to wake up...sometimes

Don't say good-bye...don't say it's over
Don't say good-bye to the dreams of our love
Don't say good-bye...keep dreamin' for us

A shot in the dark...like ships in the night
So we're both older now...well that's all right
'cause visions live on where memories have died
We've walked that road before...we'll get there this time

Now I know you tried
You tell me that you've had enough
You think it might be easier to just give up

Don't say good-bye...don't say it's over
Don't say good-bye to the dreams of our love
Don't say good-bye...lean on my shoulder
Don't say good-bye...keep dreamin' for us

Tell ya baby...i can't stop thinkin'
'bout all those times you walked on out my door
Now I don't want you...say I don't need it
But I'll never--no never...let you go

Don't say good-bye...and don't look back
Don't say good-bye to the dreams of our love
Don't look back...and don't say why
Don't turn back...keep dreamin' for us

Don't don't oh yea
Don't don't --say why
Keep on dreamin'
Keep dreamin' for us
