Billy Talent, Definition Of Destiny

Wont you stop, take a breath Find a moment to reflect On the pure and simple choices that we fail to see From the worst to the best From the east coast to the west On a never-ending quest to end our misery So cut to the chase, its time to escape, before its too late Yeah pick up the pace, catch up with fate, its slipping away So get off my road, no I wont be told, cause I got my own Definition of destiny) Yeah take back control, and dont let it go, the futures unknown Definition of destiny Definition of destiny Punch the clock to a own While our lives are put on hold When did all our childhood dreams begin to disappear? Well a long time ago We had passion, we had goals Why is life so set in stone it doesn't have to be? So cut to the chase, its time to escape, before its too late Yeah pick up the pace, catch up with fate, its slipping away So get off my road, no I wont be told, cause I got my own Definition of destiny Yeah take back control, and dont let it go, the futures unknown Definition of destiny So get off my road, no I wont be told, cause I got my own Definition of destiny Yeah take back control, and dont let it go, the futures unknown Along the way, we lost our way So will you change? Were still the same So in between, reality And fantasy is destiny So cut to the chase, its time to escape, before its too late Yeah pick up the pace, catch up with fate, its slipping away So get off my road, no I wont be told, cause I got my own Definition of destiny Yeah take back control, and dont let it go, the futures unknown Definition of destiny Yeah take back control, and dont let it go, the futures unknown Definition of destiny Cause I got my own, Yeah I got my own, Yeah I got my own Definition of destiny Definition of destiny Definition of destiny Definition of destiny
