Billy Talent, How It Goes

Everybody is tired and poor and sick of trying If you see me on the corner Will you stop or will you splash me Take a look at what we've become Nothing more than silhouettes of A pretty family on a postcard Picture perfect, I don't want it

So I hold my breath 'til my heart explodes Cause this is how it is and this is how it goes You can steal my body but you can't steal my soul Cause this is how it is and this is how it goes

Shitty weather, bad timing Lucky penny glued to the ground Dirty look from total stranger Hope you get lost and you're not found Take a look at what we've become Nothing more than silhouettes of A pretty family on a postcard Picture perfect, I don't want it

So I hold my breath 'til my heart explodes Cause this is how it is and this is how it goes You can steal my body but you can't steal my soul Cause this is how it is and this is how it...

This is, how it, it goes This is, how it, it goes This is, how it, it goes This is, how it, it goes

So unscrew my head And rinse it out Polish my thoughts Turn into doubts Unscrew my head And rinse it out Polish my thoughts Turn into doubts Turn 'em into, turn 'em into doubts

So I hold my breath 'til my heart explodes Cause this is how it is and this is how it goes You can steal my body but you can't steal my soul Cause this is how it is and this is how it goes
