## Billy Talent, Try Honesty (Another Version)

I tripped, fell down naked I scratched my knees they bled Sew up my eyes, need no more In our game, there is no score!

Forgive me father why should ya bother Try honesty, try honesty Hop in your dump truck, reverse for good luck Ride over me, ride over me Take on the whole world, fight with the young girls Die tragedy, die tragedy Call me a cheapskate, come on for pete's sake Cry agony, cry agony

im insane its your fault, so sly Your well of lies ran dry I cut the cord, free fall From so high we seem so small!

Forgive me father why should ya bother Try honesty, try honesty Hop in your dump truck, reverse for good luck Ride over me, ride over me Take on the whole world, fight with the young girls Die tragedy, die tragedy Call me a cheapskate, come on for pete's sake Cry agony, cry agony

I'm insane, it's your fault... cry! I'm insane, it's your fault... cry!

Forgive me father, why should ya bother now? Forgive me father, why should ya bother now?

Forgive me father why should ya bother Try honesty, try honesty Hop in your dump truck, reverse for good luck Ride over me, ride over me Take on the whole world, fight with the young girls Die tragedy, die tragedy Call me a cheapskate, come on for pete's sake Cry agony, cry agony

Cry agony, cry agony

Cry agony, cry agony

Cry agony, cry agony
