

# Billy Thorpe, It's Almost Summer

It's almost summer  
And I can almost feel that sweet sunshine  
Pourin' out this heart of mi-i-i-i-i-ine  
Ooh-ooh-ooh-ooh-ooh

Yes it's almost summer  
And I will spend each week day slowly fryin'  
I can't wait, I can't wait for the summerti-i-ime  
Yeah summerti-i-i-ime

Livin' and lovin' life's so damn easy  
When days are sunny and skies are blue-ue  
And dancin' all night, some parties till the daylight  
Drink Tequila Sunrise with the morning dew  
And you-ou-ou my lady  
I'm makin' love in the sand while the surf keeps time

I can't wait, I can't wait, I can't wait - summertime  
Ooh, summerti-ime

Livin' and lovin' life's so damn easy  
When days are sunny and skies are blue  
Dancin' all night, some parties till the daylight  
Drink Tequila Sunrise with the morning dew  
A-and you-ou-ou, my lady  
We're makin' love in the sand while the surf keeps time

I can't wait, I can't wait, I can't wait  
I can't wait, I can't wait, I can't wai-ait  
I can't wait, don't be late  
For the summerti-i-ime

Ooh-ooh summertime  
Yes the summerti-ime  
Ooh summerti-i-i-i-ime
