

# Billy Walker, Fifteen Years Ago

I saw a man today who said he talked to you not so long ago I think a month or two  
And my mind raced back in time I prayed oh Lord don't let it show  
He thinks I forgot you fifteen years ago  
Fifteen years ago and I still feel the same why did he have to mention your name  
I'm as broken up inside as though it's been a week or so  
Makes a mighty strong love to keep a man thinking of a girl  
He hasn't seen since fifteen years ago  
[ steel ]  
I've got a lovely wife who thinks the world of me  
Promised her my love through all eternity  
I've tried hard to make her happy and so far she doesn't know  
I can't shake this thing of fifteen years ago  
Fifteen years ago and I still feel the same why did he have to mention your name  
I'm as broken up inside as though it's been a week or so  
Takes a mighty long time to get a real love off your mind I know  
Because I've tried since fifteen years ago  
I know I've tried since fifteen years ago
