

Billy Walker, I'm Gonna Keep On Loving You

Na na na na na na na na na na na na I'm gonna keep on keep on loving you
You tell me to stop loving you that I'm just wastin' my time
But you can talk till you turn blue you're not the ruler of my mind
You're telling me that I am free and that I should be on my way
You say that's how it's got to be but this is what I've got to say
Nobody tells me what to do I'm gonna keep on loving you
Every day my whole life through I'm gonna keep on loving you
(Na na na na na na) na na na na na na I'm gonna keep on keep on loving you

You're telling me it won't be long until I've used up all my pride
You may be right I may be wrong but that's one thing that I'll decide
Nobody tells me what to do...
(Na na na na na na) na na na na na na I'm gonna keep on keep on loving you
