

# Billy Walker, I Take The Chance

I take the chance to lose my soul my life my pride I take the chance to be with you  
I know it's wrong for us to steal a kiss  
But when you hold me in your arms oh I can't resist  
I have a home and someone kind and true I know I'd lose it all if I was seen with you  
I take the chance to lose my soul my life my pride I take the chance to be with you  
I've tried to live my life the best I can  
I've prayed I'd never cheat to heed my heart's command  
But dear you know to one I've been untrue  
I wonder if you think I'd do the same to you  
I take the chance to lose my soul my life my pride I take the chance to be with you
