

Billy Walker, Memories Can't Kiss Me Goodnight

Each night I crawl in to my lonely bed and I cry a tear just for you

Darling you're with me in all of my dreams

But with the dawn I wake up to the truth

When you left all you left was your mem'ries and these bitter tears that I've cried

But mem'ries can't hold me when I get lonely and mem'ries can't kiss me goodnight

[guitar - steel]

When you left all you left...

No mem'ries can't kiss me goodnight
