

Billy Walker, Nobody But A Fool

Nobody uh uh uh but a fool uh uh uh would do uh uh uh the things I do
I worship you but you don't care to you
Still I keep calling back cause I'm that bigger fool over you uh uh uh

Even the wind and the rain all seem to say what a shame
To be a fool all your life but a fool I am and a fool I will remain
Nobody uh uh uh but a fool...
