

# Billy Walker, On My Mind Again

I got you on my mind again

I tried to keep a smile on my face and make believe another never took my place

But just when I think I forgotten that's when I got you on my mind again

I tell myself the sun will shine and there will be another love for this heart of mine

But just when I think I'm about to win I got you on my mind again

All my friends say forget you and find me somebody new

But all my friends just don't understand the love this heart holds for you

I tell myself that the sun will shine...
