

# Billy Walker, When A Man Loves A Woman (The

When a man loves a woman the way that I love you  
In his eyes there's no one else to make his dreams come true  
When a man loves a woman the way that I love you  
She alone can give the strenght he needs to carry through woman I love you

You are my inspiration you're my way to happiness  
Things that you do for me show the love that you possess  
When a man loves a woman the way that I love you  
In his eyes there's no one else to make his dreams come true woman I love you
