

Bing Crosby, 'Round And 'Round The Christmas Tree

Come dear children,
'Round and 'round the Christmas tree
('Round and 'round the Christmas tree)
Presents hanging there for you and me
(Presents hanging there for you and me)
Lights all shining merrily
(Lights all shining merrily)
Christmas a week away
(Christmas a week away)
Wishing, hoping, boxes to open
But we agree it's right to wait
Turkey and dressing, after the blessing
And there's just a night to wait
'Round and 'round the Christmas tree
Opening presents with the family
One for you and two for me
Oh, what a Christmas Day
(Oh, what a Christmas Day)
Oh, what a Christmas Day
(Oh, what a Christmas Day)
Oh, what a Christmas Day
