

Binocular, Don't Say Goodbye, Say Goodnight.

I lie awake and feel your nearness
I never wanted more than this

I don't wanna run beneath your tears
I don't wanna catch them when their falling
But it's the same old song, playin' over and over
Now I lie upon my face, Though we try
I guess that's the way it's suppose to be

Don't say goodbye, say goodnight
So it's not over
And if you try, and answer why
It's just over, it's goodbye

I hope to see the dawn of day break
And us so rise to cloudless skyes
Now I've tried to see the truth
But I close eyes
And you where there for me and I was there for you

Don't say goodbye, say goodnight
So it's not over
And if you try, and answer why
It's just over, it's goodbye

Now I lie upon my face, Though we try
I guess that's the way it's suppose to be

Don't say goodbye, say goodnight
So it's not over
And if you try, and answer why
It's just over, it's goodbye...
