

Bio Killaz, Playskool Murda

I love you, you love me, we're a happy (Gunshots)
Shut tha f**k up!

Oh, it's a murda party, and ima kill Barney
Crack his f**kin' skull wit a bottle of Bacardi
Msiss Piggy, Kermit, faggot ass muppets
Raggedy puppets, they dead anyway, so f**k it
It's a beautiful day in the neighborhood
Cancer got to ya first, but it's all good
Lamb Chops, exactly, good eats
Cook ya ass up on Sesame Street
Bannana's In Pajama's, can't stand us
Attempted murder, but we smoke too much, they out ran us
Telletubbies, f**k Tinky Winky
Die mutha f**ka, c'mon think quickly
Missed oh shit, when I took a shot
But hey, at least I hit Baby Bop
Now kids, ya feelin's, I didn't mean to hurted'em
But these wack children role models, I done murdered'em

(Barney Theme to the beat)

Sesame street has been a re-run for the last decade
And 'cause of me the guy from Reading Rainbow never got paid
This program's been brought to you in part by bitches like you
I bust Blue in the head that's why he talks like *Baboo-Boo*
Went up to the wack show headquarters, PBS
And there was Barney smokin' up on some cess
I took out Telletubbies 'cause they got too much fame
Now Tinky Winky refs at all the CFG basketball games
Sayin' I love you, and you love me
That wack show creates dysfunctional families
The new shows piss me off, like Rolie-Polie-Olie
I walk up to that bitch like, whuts up on my forty?
Shoulda seen Lamb Chops when I killed her friend
Now we'll see if that song will ever end
Now back to Sesame Street, I reach into my pouch
'cause I only smoke out with my homie Oscar The Grouch

(Barney Theme to the beat)

The Care Bears (Dead) Berenstein Bears (Dead)
All the furry little bitches, bitch you heard what I said
Listen to me, I take my forty
Then I crack it over all they f**kin' heads even Barney
Feelin' horny, so I f**k me a Miss Piggy
Smacked her in the mouth, then I cracked her head on the chimney
Sesame Street, knock'em off they feet
Goldilocks, Three Bears, suck on this meat

Bert and Ernie, they can both f**k off
I'm walkin' down Sesame Street with my muthaf**kin' sawed off
I blow they heads off (Bang Bang) oh whut you gonna do?
F**k the Power Rangers, and all the Poke'Mon too
Not to mention, that non-talkin' muthaf**ka, Scooby-Doo
Just listen, f**k him and his Mystery Crew
I ain't got a problem, I can't stand'em
If I could get'em all together I would f**kin' back hand'em

(Barney Theme to the beat)
