

Biplan, Sapnas

tavo plaukai tavo ziedai tavo erdve
neduoda man ramybes
matau ta sapna vel ir vel
mano sparnai tai mano kariai
as negaliu juos suvaldyt
matau ta sapna vel ir vel

tas sapnas vel ir vel sapnas vel ir vel vel vel vel vel
tas sapnas vel ir vel sapnas vel ir vel vel vel vel vel

zmones ateis zmones iseis
as pasiliksiu cia as busiu
matysiu sapna vel ir vel
jei tu salia duok man zinot
lauksiu dar valanda dar nakti
matysiu sapna vel ir vel vel vel

tas sapnas vel ir vel sapnas vel ir vel vel vel vel vel
tas sapnas vel ir vel sapnas vel ir vel vel vel vel vel
