

Bipolar, Miscomm

I don't want to argue
I don't have it left in me
I don't have the strength to fight this conflict eating you and me
You're always right in everything
Always coming down on me
Always acting like your mentally superior to me

Try to reason
Try to agree
If you don't want and I don't want to try to see, try to be
Think in common
Think like me
In miscommunication, try to see, try to be

Verse
Chorus x2
