

Birdy, Blue Skies

Blue skies smiling at me
Nothing but blue skies, all I see
Blue birds singing a song
Nothing but blue skies from now on

I never saw the sun shining so bright
Never saw things going so right
Noticing the days hurrying by
When you're in love, oh my how they fly
But blue days, all of them gone
Nothing but blue skies from now on

Blue skies smiling at me
Nothing but blue skies, all I see
Bluebirds singing a song
Nothing but blue skies from now on

Blue days, all of them gone
Nothing but blue skies from now on
